

PRIVACY POLICY – ASTHMATUNER

INTRODUCTION

MediTuner AB, 556982-8295 ("MediTuner") processes personal data in MediTuner's AsthmaTuner. AsthmaTuner is a patent-pending digital self-care and support system that provides asthmatics ("the user") an individually adapted treatment recommendation (hereinafter referred to as "the Service").

MediTuner is the personal data controller for personal data that the User provides directly through the Service's "User Account". Furthermore, MediTuner is the personal data assistant for the personal information of the User provided by the Caregiver's account ("Caregiver's Account") and undertakes to process User's personal data in accordance with applicable law and the Caregiver's instructions, and to take appropriate technical and organizational measures that have been agreed and which are required to protect the data processed from unauthorized access, destruction and alteration.

The purpose of the treatment is to provide self-care systems (AsthmaTuner) that provide asthmatics with an individually tailored treatment recommendation, which connects the patients with the health care system for improved care as well as developing and improving the service.

If the User has questions regarding MediTuner's personal data processing, the User can contact MediTuner for answers. Information on how to contact MediTuner is available under the heading "Contact information" below.

PRIVACY POLICY SCOPE

For whom the Privacy policy applies

This Privacy Policy (hereinafter the "Privacy Policy") applies to individuals who register a User Account on AsthmaTuner.

The user does not need to provide any personal information, but unless MediTuner is provided for the necessary information by the Service, MediTuner cannot provide the Service.

Applicability for Privacy Policy

The Privacy Policy is for Users of the Service to feel confident that MediTuner processes the User's personal data in accordance with applicable privacy laws.

Non-applicability for Privacy Policy

The Privacy Policy does not apply in relation to external websites or systems that are not owned or administered by MediTuner. MediTuner has not reviewed these systems, websites or other websites that contain links to MediTuner's website. The Privacy Policy does not apply to the processing of personal data that takes place on such websites and MediTuner is not responsible for personal data processing on websites that are not part of the MediTuner's website. The user should, therefore, take part in such website's privacy policy before disclosing their personal data.

PERSONAL DATA PROCESSED

Personal data refers to any kind of information that can be directly or indirectly attributed to a natural person who is in life. In the Service there may be personal data relating to first and last name, telephone number, address, postal code, e-mail address, social security number, guardian, medical certificate, information about the user's health (together hereinafter "Personal data").

SENSITIVE PERSONAL DATA

Sensitive personal information is such information that discloses racial or ethnic origin, political opinions, religious or philosophical beliefs or membership of trade union and personal data relating to health or sex life (hereinafter "Sensitive Personal Information"). Health information may include, for example, sickness absence, illness, treatment and doctor visits.

Within the framework of the Service, MediTuner may treat Sensitive Personal Data about asthma and other information related to the user's health status.

CONSENT

When the User joins the Service, it agrees that MediTuner uses and processes the User's Personal Information and Sensitive Personal Information in accordance with what is described in the Privacy Policy.

The user may at any time revoke your consent given. However, if the User withdraws your consent, the Service will no longer be available to the User.

LEGAL BASIS FOR THE TREATMENT

MediTuner processes the User's Personal Information with the support of the User's consent.

WHAT DOES MEDITUNER USE PERSONAL DATA FOR?

The purposes and purposes of the processing of the Personal Data are primarily to improve the daily life of asthmatics by providing self-care systems that provide asthmatics with an individually tailored treatment recommendation, and to connect patients with the healthcare system to ensure that medically trained personnel are aware of the user's asthma and provide improved care and treatment.

MediTuner may also use anonymised data for the purpose of developing and improving the Service, provided that this is consistent with applicable privacy law.

INFORMATION FROM THIRD PARTIES

MediTuner in some cases deals with personal data as personal data assistant for the User's Caregiver.

MediTuner may, in some cases, supplement the Personal Information provided by the User with information provided by the User's Custodian.

INFORMATION TO THIRD PARTIES

The Personal Data that the User provides to the User Account will be available to the Healthcare Provider through the Healthcare Provider Account. In addition to this, MediTuner will not, without the User's permission, disclose the User's Personal Information to anyone else than what follows from this Privacy Policy.

MediTuner will not pass on the User's Personal Data to third parties for commercial use.

MediTuner may employ independent suppliers for services in connection with the Service. These providers can handle Personal Data and sometimes need limited access to Personal Data collected for the Service. MediTuner will always strive to limit such access to Personal Data and only share information that is reasonably needed for the suppliers to be able to do their work or provide their services. MediTuner will also require these suppliers to (i) protect your / your child's Personal Information in accordance with this Privacy Policy and

(ii) not use or disclose your / your child's Personal Information for any purpose other than providing the Service.

TRANSFER TO THIRD COUNTRY

MediTuner will not transfer the User's Personal Data to third countries (ie a country outside the EU / EEA).

CHANGES IN THE POLICY

MediTuner reserves the right to revise this Privacy Policy from time to time. The date of the last change is indicated at the end of the Privacy Policy. If MediTuner makes any changes to the Privacy Policy, MediTuner will publish these changes at www.asthmatuner.com. The user is therefore advised to read this Privacy Policy regularly to pay attention to any changes.

If MediTuner changes the Privacy Policy in a way that is significantly different from what was stated when the User's consent Personal Data was collected, MediTuner will notify these changes and, if necessary, obtain new consent to MediTuner's personal data processing.

DELETION OF DATA

The User's Personal Data will not be retained for any longer than is necessary with respect to the purposes of the processing and MediTuner will delete Personal Data in accordance with applicable law.

RIGHT TO REQUEST INFORMATION

The user is also entitled to receive, free of charge, one copy of the Personal Data that is being processed (registry extract). For any additional copies requested, MediTuner may charge a reasonable fee on the basis of administrative costs. The right to a copy should not affect the rights and freedoms of others.

The user has the right to request that MediTuner correct personal data which is incorrect or incomplete. If the User shows that the purpose for which the Personal Data is processed is

no longer permitted, necessary or reasonable under the circumstances, the relevant Personal Data will be deleted, if there are no statutory provisions specifying otherwise.

The user has the right to revoke consent for continued processing of the Personal Data MediTuner treats with such legal basis ("the right to be forgotten").

The user also has the right to have the Personal Data that they themselves submitted to MediTuner transferred to another data controller (right to data portability), and to file any complaints to the Data Inspectorate.

The user has the right to object to the processing of Personal Data supported on weighing interest as a legal basis. If so, MediTuner will terminate the treatment if MediTuner is unable to display mandatory legitimate grounds for treatment that contemplate the User's interests, rights and freedoms or whether the processing of Personal Data is for the establishment, exercise or defense of legal claims.

SECURITY

MediTuner takes all appropriate technical and organizational security measures required to protect the Personal Data against improper access, change or destruction. However, this always means a risk of disclosing Personal Data via digital channels, as it is not entirely possible to protect technology systems from intrusion.

COMPLAINTS

If the User has a complaint regarding MediTuner's processing of their personal data, they have the opportunity to make a notification to the relevant authorities.
